## Associate in Applied Science in **Construction Management – Commercial Option to**

# BAAS in Applied Leadership

## **Guided Pathway** Effective for the 2018-2019 catalog<sup>1</sup>

Part-time students may also follow this sequence. Developmental coursework may be required.

- 1 You may use this pathway if you entered one of the seven colleges on or before this date.
- 2 Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by one of the seven colleges of the DCCCD awarding
- A If students choose CNBT 2315 as the Construction Management elective in Semester 3, they will complete the requirements for the Commercial Construction Assistant Superintendent (CC1) Certificate.
- \* There are several options to fulfill this requirement. See your academic advisor for a specific list.
- C This course counts for the Core Curriculum at any public college or university in Texas.
- + Construction Management electives for the Commercial option can be chosen from the following:
- CNBT 1342, CNBT 2315, CNBT 2335, DFTG 1309, ENTC 1323, ITSC 1301, SRVY 1301, SRVY 1309
- () Course numbers shown in parentheses are equivalent to these courses at Texas Tech University

#### FOR TEXAS TECH UNIVERSITY:

CL) HRDV 4301, HRDV 4306, and INTS 4351 will satisfy Communication Literacy for this Degree. .

ART 1309 (1301 Transfer Credit) will satisfy both Creative Arts and Multicultural core for Texas Tech University.

#### Degree Requirements:

- Hours Required and General/College Requirement- A minimum of 120 semester hours, 40 of which must be junior/senior level and fulfillment of degree requirements for the Bachelor of Applied Arts and Sciences degree as specified in the "General Requirements" in the Undergraduate Academic section of the Texas Tech University Catalog
- Maior Requirements:
  - Occupational Specialization, up the 36 hours- is comprised of courses related to a specific occupations, field, or subject. The occupational specialization typically consists of field-specific coursework completed for an Associate of Applied Science (A.A.S.) degree at a community college.
  - Professional Development Concentration, 36 hours- Consist of two separate concentrations that serve to enhance the skills acquired by the student through an applied associate's degree or are complimentary themes of interest. Requires completion of 36 hours in two separate concentrations of 18 hours each
    - Concentration 1: 18 Semester hours of Organizational Leadership Concentration coursework
    - Concentration 2: 18 Semester hours of Human Resource Development concentration coursework, (HRDV 2301, 3301, 3305, 3308, 4301, 4306)
- Core Curriculum, 44 Hours- Select any approved Texas Tech courses deemed by a B.A.A.S. advisor as appropriate to the degree.
- Capstone and Multicultural Requirement, 6 Hours- 3 Hour multicultural course (Multicultural Requirement Effective Fall 2014) and the Capstone course, INTS 4351
- **Uniform Graduation Requirements:** 
  - Foreign Language Requirement- credit for two years of the same language earned in high school or two semesters (or its equivalent) of a single foreign language at the first-year college level. Students need to submit an official high school transcript when applying to the university documenting language credits earned in high school to determine whether additional language is needed.
  - Laboratory Science Requirement- two semester credit hours of science laboratory courses. Labs should correspond with the lectures completed
