This is not an official degree plan. Check with an advisor; degree plans may change in later catalogs.

Part-time students may also follow this sequence. Developmental coursework may be required.

* You may take a different course to meet this requirement. A specific list is available from your advisor.

C This course counts for the Core Curriculum at any public college or university in Texas.

Δ This course is a required option or elective for students enrolled in the DCCCD/Dallas ISD Collegiate Academies at specific colleges. Other elective options are available in the DCCCD degree requirements

Additional coursework may be required if 36 credits are not awarded for the Occupational Specialization block.

For questions regarding the university portion of the guided pathway,
 contact the Marketing and Computer Information Systems Department at 254-968-9047.
