### SEMESTER-BY-SEMESTER MAP FOR FULL-TIME STUDENTS

Honda Professional Automotive Career Training (PACT) program is a specialized program designed to prepare students for entry level employment as a service technician at a Honda or Acura dealership. Upon completion of a 2-year program, students will earn an Associates of Applied Science in Automotive Technology Honda PACT degree and factory certification. Students are encouraged to gain sponsorship/employment from a participating Honda/Acura dealership approved by the College upon entering the program. They are required to have this sponsorship/paid internship/employment at a Honda/Acura dealer for at least 640 hours as a technician in order to receive the Honda Professional Automotive Career Training degree and factory certification. Although there may be several options to fulfill certain requirements for the associate's degree, please note that this pathway lists the specific courses leading to this bachelor's degree. All plans can be modified to fit the needs of part-time students. This is not an official degree plan. Refer to catalog for official degree requirements. You must receive a GPA of at least 2.00 on all college-level course work. Students must earn at least 25% of the credit hours required for graduation through instruction by Dallas College. Certain courses for this program are only offered at the Eastfield Campus. Contact your advisor for information.
