This is not an official degree plan. Check with an advisor; degree plans may change in later catalogs.

Part-time students may also follow this sequence. Developmental coursework may be required.

¹ You may use this pathway if you entered one of the seven colleges on or before this date.

² Students must earn at least 25% of the credit hours (15 hours) required for graduation through instruction by one of the seven colleges of the DCCCD awarding the degree.

^C This course counts for the Core Curriculum at any public college or university in Texas.

[@] All college students with fewer than 12 semester credit hours of successful college credit (grade of "C" or above) must take a student success course in the first semester.

^{*} There are several options to fulfill this requirement. See your academic advisor for assistance with course selection.

[^] Ensure proper pre-requisite courses have been met. See your academic advisor for assistance with course selection.

⁺ Math courses should be selected according to the intended university to which you will transfer. See your academic advisor for assistance with course selection.

⁺⁺ Elective courses should be selected according to the intended university to which you will transfer. See your academic advisor for assistance with course selection.

You must earn a grade of "C" or better in English 1301 and the selected college-level mathematics course and receive a GPA of at least 2.00 on all college-level course work.

(^l) Course numbers shown in parentheses are equivalent to these courses at Tarleton State University.

^T Degree availability varies by campus; consult www.tarleton.edu for more information.

You must earn a grade of "C" or better in English 1301 and the selected college-level mathematics course and receive a GPA of at least 2.50 on all college-level course work.

Approved: 2019-2020 Guided Pathway
